THE HABITAT IS...

1	not on swamp or mountain
2	within two spaces of bear territory
3	not within two spaces of cougar territory
4	within one space of mountain
5	not on desert or mountain
6	not within three spaces of a black structure
7	on forest or desert
8	not on forest or water
9	not within two spaces of bear territory
10	not within one space of water
11	on desert or water
12	not on desert or swamp
13	within two spaces of bear territory
14	within one space of swamp
15	within three spaces of a green structure
16	not within two spaces of a standing stone
17	within two spaces of an abandoned shack
18	not within two spaces of a standing stone
19	on forest or mountain
20	within one space of water
21	not within one space of desert
22	within three spaces of a black structure
23	not on water or mountains
24	on water or mountains
25	on swamp or mountain
26	within one space of desert
27	on desert or swamp
28	not on forest or desert
29	within three spaces of a black structure
30	within one space of forest
31	not on swamp or mountain
32	not within three spaces of a blue structure
33	not on desert or water
34	on desert or mountain
35	on water or swamp
36	within three spaces of a white structure
37	not on water or mountains
38	not within two spaces of an abandoned shack
39	on forest or swamp
40	on swamp or mountain
41	not on water or swamp
42	within one space of swamp
43	within three spaces of a blue structure
44	not within one space of mountain
45	within two spaces of a standing stone
46	within one space of desert
47	within one space of mountain
48	not within three spaces of a white structure

49	within two spaces of a standing stone
50	on forest or water
51	on desert or swamp
52	within two spaces of an abandoned shack
53	on water or mountains
54	not on forest or mountain
55	not within three spaces of a blue structure
56	within three spaces of a white structure
57	not on water or swamp
58	within one space of either animal territory
59	on forest or swamp
60	not on forest or swamp
61	not within one space of water
62	not within one space of either animal territory
63	within two spaces of cougar territory
64	not within two spaces of bear territory
65	not on forest or water
66	not within three spaces of a black structure
67	not within one space of desert
68	not within two spaces of an abandoned shack
69	on water or swamp
70	not within three spaces of a green structure
71	not on forest or swamp
72	within two spaces of cougar territory
73	within three spaces of a blue structure
74	on forest or mountain
75	not on forest or mountain
76	not on desert or water
77	within one space of forest
78	on desert or water
79	not within one space of forest
80	not on forest or desert
81	on desert or mountain
82	not within one space of either animal territory
83	within one space of either animal territory
84	within one space of water
85	within three spaces of a green structure
86	on forest or water
87	not within one space of swamp
88	not within one space of mountain
89	not within three spaces of a green structure
90	not within three spaces of a white structure
91	on forest or desert
92	not within one space of forest
93	not on desert or mountain
94	not within one space of swamp
95	not within two spaces of cougar territory
96	not on desert or swamp

PLAYER RESPONSES

Cube: the space **is not** the habitat, according to that player's clue.
Disc: the space **could be** the habitat, according to that player's clue.

POSSIBLE CLUES

On one of two types of terrain:

- On forest or desert
- On forest or water
- On forest or swamp
- On forest or mountain
- On desert or water
- On desert or swamp
- On desert or mountain
- On water or swamp
- On water or mountain
- On swamp or mountain

Within one space of a terrain type or animal territory:

- Within one space of forest
- Within one space of desert
- Within one space of swamp
- Within one space of mountain
- Within one space of water
- Within one space of either animal territory

Within two spaces of a type of animal territory or a type of structure:

- Within two spaces of a standing stone
- Within two spaces of an abandoned shack
- Within two spaces of bear territory
- Within two spaces of cougar territory

Within three spaces of a colour of structure:

- Within three spaces of a blue structure
- Within three spaces of a white structure
- Within three spaces of a green structure
- Within three spaces of a black structure

INVERSE CLUES

In advanced mode, **it is possible to have the inverse of all of these clues**. For example, your clue could be "the habitat is not within one of Forest". This is not the case in normal mode.
