GREETINGS FROM OSPREY GAMES HQ!

We're getting 2020 off to a flying start, with a fantastic line-up of games heading out in the first half of the year.

In our board games range, we add to the critically acclaimed *Undaunted* series with ***Undaunted: North Africa*** (p.1), a standalone sequel that pits Italian and Long Range Desert Group forces against each other across the Libyan desert. We also have ***Letterpress*** (p.3), a card game that sets rival wordsmiths against one another as they attempt to craft the most impressive words, and ***Judge Dredd: Helter Skelter: The Dark Judges*** (p.4), which brings an infamous new faction and solo rules to the popular miniatures board game.

For the wargamers out there, the first half of 2020 is packed with fantastic new releases. We'll be launching the eagerly anticipated ***Oathmark: Battles of the Lost Age*** (p.8) – a new mass-battle fantasy game from *Frostgrave* author Joseph A. McCullough – as well as Ash Barker's ***Gamma Wolves: Post Apocalyptic Mecha Warfare*** (p.12), and ***A Billion Suns: Interstellar Fleet Combat*** (p.14) from *Gaslands* creator Mike Hutchinson. The best-selling *Bolt Action* series is also seeing a new title join its ranks, with ***Bolt Action: Campaign: Stalingrad*** (p.13) bringing one of the most iconic battles of World War II to the tabletop.

We've also got some exciting news for *Frostgrave* fans – ***Frostgrave: Second Edition*** (p.10) comes out in June. This new edition of the multi-award-winning fantasy skirmish wargame offers new and revised rules... but don't worry – existing *Frostgrave* supplements will remain compatible! This will be followed in October by ***Frostgrave: Wizard Eye: The Art of Frostgrave*** (p.11), a beautiful hardback book looking back at the artwork from the entire series, and we're delighted to give you a sneak peek at that.

Oathmark

• BATTLES OF THE LOST AGE •

Author: **Joseph A. McCullough**
Illustrators: **Ralph Horsley & Jan Pospisil**
Available: **February 2020**

ISBN: **9781472833044**
Price: **£25 / US \$35 / CAN \$47.50**
Format: **Hardback**

Empires have fallen, and the land is broken. The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin. In this lost age, fealty and loyalty are as valuable as gold and as deadly as cold iron, and war is ever-present.

Created by Joseph A. McCullough, designer of *Frostgrave* and *Frostgrave: Ghost Archipelago*, *Oathmark* is a mass-battle fantasy wargame that puts you in command of the fantasy army you've always wanted, whether a company of stalwart dwarves or a mixed force with proud elves, noble men, and wild goblins standing shoulder-to-shoulder in the battle-line. Fight through an integrated campaign system and develop your realms from battle to battle, adding new territories, recruiting new troop types, and growing to eclipse your rivals... or lose what you fought so hard to gain and fall as so many would-be emperors before you.

With their heavy armour and steadfast determination, Dwarf Infantry are at their best when on the defensive, and are the perfect warriors for holding the line or guarding an objective.

Famed for their discipline and resolve as much as for their prowess in combat, Elf Infantry are tough, versatile warriors who excel in most battlefield roles.

Despite an unruly nature that make them difficult to control in battle, Goblin Infantry are swift, aggressive fighters and excel when carrying out flanking attacks or swarming isolated enemy units.

Whether they are part-time soldiers or professional warriors, charging the enemy lines or defending their own position, Human Infantry fight with courage and tenacity, no matter the odds.
