BATTLE OF BRITAIN

ERRATA

RULEBOOK CLARIFICATIONS

Page 12

Once the last phase is complete, the round is over and the next round begins. This continues until a player has won.

should include the following sentence

If you reach a state during a scenario where neither side can win, the game ends in a draw.

Page 19, Which Attack Value To Use

You are attacking the target's rear if:

- the target and the attacker are in different hexes and the target is facing in the opposite direction to the attacker, **or**
- the above statement would be true if the target was facing the hex edge immediately to the left or right of the one it is currently facing.

should read as follows:

You are attacking the target's rear if:

- the target and the attacker are in different hexes; **and**
- the firing line you are using for your attack intersects the target on one of its three rear edges.

Pages 20-21, Example Turn

Trevor's card used for initiative should be a Red Section Comms.
